TAVIRA

The castle and the many towers of the church. The mirror of a river where houses and gardens are reflected. The triangles on the scissor roofs. The horizons of the beach and the sea. The charms of Tavira, city of art and history, unmissable in the cultural itinerary of the Algarve.

THE PLEASURE OF THE SUN AND THE SEA

The beaches: extensive sands where the solitude is.

Juicy orchards, where the gold of oranges is not lacking. Then the hills covered with fig and almond trees, the whitewashed houses, the lace chimneys.

And in the background, the vast spaces of the mountains where eagles fly, birds sing, flowers bloom. Quick sketch of the charms of Tavira and its county. An invitation to voyages of discovery.

Building with contemporary lines, located a few minutes from the center of Tavira. In this new development there are apartments of typologies T2 and T3, is close to everything that is important, but away from the hustle and bustle of the city.

These apartments stand out for their selection of high quality materials and finishes that provide an improved living experience.
